

Belux Chapter

ISACA IT SECURITY FORUM INVITATION

Wednesday 21st of March 2007

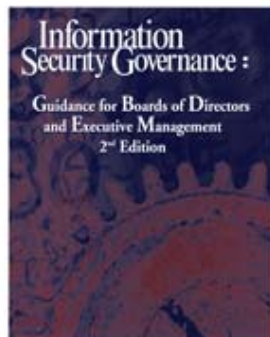

Location: INFOSEC.BE at Brussels Kart, Groot-Bijgaarden

The hot topic for this forum will be:

“Information Security Governance 2.0: is this relevant for you?”

The speaker to introduce this ISACA IT Security Open Forum: Mr. Marc Vael (ISACA Belgium)

Marc Vael is vice-president of the Belux Chapter of ISACA and is involved in the development and review of the Information Security Governance track in ISACA International. Based on this experience Marc will explain the new Information Security Governance document from ISACA and will discuss with the participants on how to implement this in an organization in Belgium.

The goal of the ISACA IT Security Forum:

The principal goal of this forum is to exchange ideas, suggestions and practical examples around a hot IT Security Topic in an open and interactive manner. This forum wants to provide to all people interested in IT Security a unique opportunity to keep up-to-date with the newest/hottest topics in the IT Security arena and at the same time offer a platform to have regular contacts with peers to brainstorm and exchange ideas in order to get concrete answers to burning questions.
